Town of Marlboro, Vermont
Board for the Abatement of Taxes
Decision Letter – May 13, 2025

Civita R. Russo
172 Old Kings Highway
New Canaan, Connecticut 06840

Dear Ms Russo,

The Board of Tax Abatement has considered your request for abatement of late fees and interest applied to taxes paid late in the tax years of 2023 and 2024. **The Board hereby abates all late fees and interest due for both tax years in the amount of $3,085.23**

The circumstances in this case are a bit complicated, in that you endeavored to make sure that the agent you had given money to pay the taxes had actually paid them, but the Tax Collector was unable either to confirm the payments or, in this instance, to let you know that the payments had not been made. Further, you did not receive legal notice of the late fees and interest.

The death of your husband, who was previously the one who paid the tax bills, has further left you with unfamiliar responsibilities, and the late fees and interest constitute a heavy additional financial burden as you begin to pay the late taxes.

Sincerely,

T. Hunter Wilson
Chair of the Board of Tax Abatement
